### **City of Zeeland COVID-19 Mitigation Measures (updated 7/1/2020)**

Information around COVID-19 is rapidly changing on a daily basis. Out of caution, not panic, the City of Zeeland feels it is appropriate to implement recommended mitigation efforts. City Administration is working closely with other local agencies on appropriate mitigation efforts and following the guidance of the Ottawa County Health Department, Ottawa County Emergency Management Office, Michigan Department of Health and Human Services and the Center for Disease Control and Prevention. To that end, Governor Whitmer has issued several Executive Orders to mitigate the spread of COVID-19 that can be found here [https://www.michigan.gov/coronavirus/0,9753,7-406-98178\\_98455-521682--,00.html](https://www.michigan.gov/coronavirus/0,9753,7-406-98178_98455-521682--,00.html). In conjunction with Governor Whitmer's Executive Orders, the Michigan Department of Health and Human Services continues to offer guidance on community mitigation strategies – find here [www.michigan.gov/coronavirus](http://www.michigan.gov/coronavirus) as does the Ottawa County Health Department – please refer to the following link. [www.miOttawa.org/miHealth](http://www.miOttawa.org/miHealth)

#### Specific guidance for City Operations.

1. Cancel/postpone all city sponsored public gathering events of more than 100 people (i.e., downtown, parks, city facilities) or as further modified by subsequent executive orders from Governor Whitmer.
2. Splash Pad to remain closed. Re-opening decisions will consider such factors as Ottawa County moves to Stage 5 of the Michigan Safe Start Plan (allow groups of up to 250 people to gather outdoors), the City determines that it can effectively implement reduced group sizes, and the City is able to meet other safe re-opening recommendations in consultation with groups such as the Ottawa County Health Department.
3. City Departments will implement their department specific COVID19 response plans to ensure the continued delivery of essential city services including the support of work from home if feasible.
4. Adhere to the City's Pandemic Illness Response Plan which serves as the City's Covid19 Preparedness and Response Plan (attached).
5. Prohibit travel to workshops/conferences/trainings unless approved by city manager/BPW General Manager (or their designee).
6. Through July 31, 2020, as determined appropriate by the Zeeland City Council and/or other public governing bodies serving the city, conduct meetings electronically via phone or online

FEEL THE ZEEL
